

## Rates & Sessions

All sessions are available via online video call or upon request in person at my location in Amsterdam. The rates below apply to individual sessions. Sessions with multiple participants can, by exception, be arranged upon request at adjusted rates. I look forward to connecting and exploring how we can work together.

### Individual Clients / Particuliere Cliënten

€160 / 60 min (21% VAT included)

Payment via SEPA Bank transfer (IBAN, EUR)

### International Individual Clients / Particuliere Cliënten (non-SEPA / without IBAN)

€190 / 60 min (incl. 21% VAT)

Payment via PayPal request of €190

If you cannot use Paypal an international bank transfer is also possible but only if the session is booked at least one week in advance. The price difference for international clients is due to processing and PayPal fees, as well as the additional administrative time needed to process and register payments correctly. *Additional international payment fees (currency conversion, bank charges) are the client's responsibility. Further details: please contact me.*

### Sole Proprietorship / Eenmanszaak

(For clients based in the Netherlands)

€160 / 60 min (VAT 21% excluded)

*Applicable only when noted in advance at the time of booking.*

### Corporate Clients / Bedrijven

Rates vary depending on session type, location, and scope of work.

Available in the Netherlands and internationally.

Invoices are issued in compliance with Dutch tax regulations.

*Additional international payment fees (currency conversion, bank charges) are the client's responsibility.*
